June 2021

"To be resilient is to be adaptable. It's a way of being that's flexible and alive, bouncing with the stuff of survival: learning, evolving, and intertwining our roots to share resources and to create a strong anchor of collective care. Like trees in a storm, it means swaying instead of snapping."

Picnic In the Park

Junk & Treasure Sales

It's time to clean out your closets, attics and garages. Heritage is planning two fundraising sales (both events include lunch & speaker) at the Price Center on August 28 & September 25. We need your "stuff" now. Don't wait until a week before the sale. Read up on these fun filled, shopper savvy events on page 3 and "Save the Dates"! One man's junk is another man's treasure. Rooms chock full of bargains on antiques, vintage and more. Heritage needs your unwanted collections NOW so call, text or email Renee Graham asap about picking up or where to deliver between now and our two sales.

What is Citizen's Academy?

Ask Thea Dake! Thea took this valuable free 12-week course and said it's phenomenal. "Everyone should take it." Classes were held every Thursday from 6pm-9pm in the new Public Safety Building located at 810 S. Stagecoach Trail in San Marcos behind the Government Center. The objective is to build a better understanding between the citizens and the Sheriff's office through education. It provides public awareness and increases community relations and rapport. Applications to take the Citizens Academy are through the Sheriff's office or email mark.andrews@co.hays.tx.us.
