

March 16, 2020

Dear Heritage Members,

Due to the circumstances regarding the COVID-19 pandemic, we will be canceling the Heritage Association Annual Home Tour that had been scheduled for May 1-3, 2020. The Home Tour Committee is not one to sit around with nothing to do, so I am happy to announce that they will be planning a Holiday Tour for the Fall of 2020.

In addition, the Cottage Kitchen is closed through April. We will keep you updated once a date to reopen is set. You can always check our website, <http://www.heritagesanmarcos.org/> or our Facebook page.

It is important that we keep ourselves safe and and do all that we can in the next month or more to prevent the spread of this virus through the unnecessary gatherings of people.

Take Care!

Linda Coker,  
President  
Heritage Association of San Marcos
